### FAMOUS DANCER BORN IN OCTOBER

*Rita Hayworth*

*Born October 17, 1918 in New York City*

*Margarita Carmen Cansino, better known as Rita Hayworth was born October 17, 1918 in NYC. Her mother who performed in the Ziegfeld Follies hoped she would become an actress while her father hoped she would be a professional dancer. Despite not loving dance lessons she practiced and rehearsed enough to be included in a Broadway production at 5 years of age. She appeared as a dancer in many classic Hollywood films like Dante's Inferno and was one of six women to dance on screen with both Gene Kelly and Fred Astaire. Fred Astaire even called her his favorite dance partner.*
