## FAMOUS DANCER BORN IN MARCH

*Janet Collins*  
 Born March 7th 1917 in  
 New Orleans, LA

Janet Collins started her ballet training at religious centers at the age of four prior to finding ballet teachers who accepted African American students. Though known for breaking many color barriers, she met obstacles in her career as a traveling dancer when venues did not allow her to perform. In 1951, she made history at the Metropolitan Opera and is known to many as one of the pioneers of black ballet dancing.
